

## Local Matters.

Saturday Morning, 11 June 11, 1859.

The members of the Finance Committee of the Shelby County Democratic Association requested to meet at the office of Senator T. C. Thompson, 101 Front Street, at four o'clock on Monday evening next. The members of the committee are: John W. Taylor, J. S. Clayton, Dr. A. Thompson, John McGehee, Dr. W. H. Green, J. R. Brown, Dr. W. L. Carson, L. N. Morgan, Dr. W. M. Morgan, Dr. J. M. Bell, and A. H. Ross, a pianist and full arranger.

O. H. LIRE, Chairman.

APPROPRIATED.—Council, last evening, appropriated \$3,000 toward building a new fire engine house, and \$500 for a new hose reel.

FIVE INDIANS FOR A KISS.—John Seppius was fined by the Mayor yesterday, upon the charge of endeavoring to win over his heart to a public disownment.

MEMPHIS AND MONROEVILLE.—Council has eight afternoons off during which seven negro magicians played in Court Square, a total of three hundred and eight dollars.

RESOLUTIONS.—Those who send us Council report this morning will come to the conclusion that Council is a body that has a great deal of resolution in it—they passed resolutions in twelve hours.

CARSON, COOPER.—The acts of the Cooper-Carson Committee in which Memphis is located, Hon. R. F. McMechen, will meet on Monday next, the 12th inst., the docket is an unusually heavy one.

EDUCATION AND SCHOOL HOUSES.—It is suspected that if the paper of the public schools were removed to a new location, the city would not be able to pay for building school houses for their accommodation.

COUNCIL.—The old tomb down from the southeast corner of Washington and Second streets, was considered as an nuisance by Council, and the Mayor directed it be removed. It brought up a point in New Orleans.

LAST NIGHT OR THE PIAZA.—The Fair Company closed last evening with a very agreeable concert party. We are pleased to learn that the audience was successful as a pecuniary point of view.

NO MEET FOR CONVENTION.—All, Forest offered a resolution in Council last night against the formation of any new fire company in this city; he expects soon for regularity the necessity of increasing the present.

CIVIC EDUCATION AND FIRE COMPANY GRANTS.—A reference to our Council report this morning will show that there was quite a stir among the Abolitionists when a number required in the mechanics' school election time and appropriate for compensation.

COL. LEON'S SUIT.—The suit was settled for the amount of \$1,000, to be paid to the widow of the late Col. Leon, in the sum of \$500, and the balance to be paid to the widow of the late Col. Leon, in the sum of \$500.
